

# LING MOOR A PRIORY ACADEMY

NEWSLETTER JULY 2023

The summer break will be upon us within a matter of days and it is important that we take time to look back at another incredible year of learning – a year that has seen the children really thrive and succeed. Each day, the staff have the pleasure of witnessing the children overcome challenges, succeed in their learning and thrive in their friendships.

This year has seen a real depth of Ling Moor Learning and a real growth of our Ling Moor Family.

In order for that to happen, your support is crucial and we are incredibly grateful for the partnership this year.

We are also incredibly grateful for the hard work and dedication that our staff team put in. They do go beyond each and every day and they are an outstanding group of people.

As you will often hear Mr Sisman say, it really is the best job in the world as we work with such exceptional staff, children and their families.

## Year 6

On Wednesday, we say a fond farewell to our current Year 6 – the class of 22/23. They are a real credit to themselves and their families and we are incredibly proud of them as they take the next steps on their journey. Our Ling Moor Family is defined by the culture our oldest children create

and the leadership they give. We are incredibly grateful to all of them for being such outstanding role models this year.

## Survey

Thank you to all of you who took time to respond to our annual parental survey. The outcomes of the survey are really positive and the feedback is incredibly useful in shaping Ling Moor's future. During the course of the Autumn term, we will be shaping the Academy's development plan alongside our Local Governing Body (LGB) and using the survey information to drive this.

## September

With a few days of term left, we hope that you have all of the information that you require for the

start back in September. In September the teachers will be sharing with you the learning for the year ahead and taking time to introduce themselves to you. If you would like details of your child's curriculum next year, all of the details can be found here: [Ling Moor Primary School - Year Group Overviews \(lingmooracademy.co.uk\)](https://lingmooracademy.co.uk)

For the initial drop offs, there will be plenty of staff on hand to show you where you need to be. Please just ask.

It will be lovely to hear of their summer holiday adventures when they return back to school on Tuesday 5<sup>th</sup> September.

## Staffing changes

We are delighted to inform you that Mrs Walsh has been appointed as an Assistant Headteacher at Ling Moor from September. Mrs Elms will formally be joining the leadership group next year as we seek to further utilise her expertise. They will both be joining an established senior leadership team that continues to focus on making the children's experience at Ling Moor the best it can be.

From September, there is also a change for those children who have Mr Summersall as a class teacher. He will be teaching the children in his class for four days a week with the remainder of the week taught by Mr Sharpe and Miss Boole – two teachers the children

know well and who have raft of experience.

Another subtle change for September will be Miss McAndrew becoming Mrs Ridout We are sure that you will join us all in wishing her and her fiancé the best of wishes for their upcoming wedding.

## Clubs

Clubs will be starting back on W/C 11<sup>th</sup> September. They are available to book onto on ParentPay.

## Friends

Our Friends group continues to provide so much for our Ling Moor Family. This month, the Academy received a very generous £1500 that will go towards extra playground equipment for the children. The group has done so much to benefit the children over many years and we are incredibly grateful for their work. Some of our long standing members of the group step away this year as their children move on so a huge thank you to them for their efforts.
