

LING MOOR

A PRIORY ACADEMY

NEWSLETTER SEPTEMBER 2024

The Ling Moor Family has started the academic year with so much positivity. It has been an absolute pleasure to welcome the children back to school and witness the start that they have made to the new academic year. All the children, from the moment that they stepped into school on day one of the Autumn term, really have striven to be their very best.

Our core principles of Family, Ling Moor Learning, 'helping others to be the best they can be' and 'doing the right things because they are the right things to do' really have been evident right from the first day. Already the children are able to talk about what this means to them in their new year group and also demonstrate this through their actions and thoughts.

An example of this is the Y6 visit to the National Holocaust Centre in Laxton, a place that is rich in historical knowledge and thought. It is a very special place to visit and learn. To be successful as a visitor there, the children are required to show curiosity, wisdom, and high levels of empathy. During the visit, the children had the opportunity to interact with a Holocaust survivor and to learn about their experience. This takes high levels of maturity.

Our Year 6 pupils conducted themselves so well and have used the experience to deepen their knowledge.

We are already so proud of the newest members of our Ling Moor Family. Our Foundation Stage have made an incredible start to their time with us, showing so much confidence, curiosity, and thoughtfulness. Children have been helping each other come into school when they see others who are little nervous, helping to make sure that everyone knows where to hang their things and playing together beautifully.

For all of the children in school, we look forward to having some 'Serious Fun!' throughout the course of this year and see them shine as learners. They are already producing so much high-quality learning.

Curriculum

It is important that you know what your child is learning in school. For each year group, the curriculum is outlined on the Academy website [here](#). If you have any specific questions about your child's learning this year, the first port of call is always their class teacher.

Parliament

Following our Ling Moor elections in the summer, we have a wonderful Parliament in place who are already working hard to make school better for their peers. They are full of enthusiasm and ideas. Their first piece of work has been to nominate the charities that we will be supporting this year. They have chosen: St Barnabas, Make a Wish, Dementia UK and Cancer Research UK.

Friends

Our wonderful Friends group are seeking new members to continue their excellent work. Not only do they ensure our summer picnic is a success, they also raise significant funds that help give the children a better experience at school. If you are able to join them, their AGM on Monday 30th September at 7pm at the Centurion.
