

# LING MOOR

## A PRIORY ACADEMY

NEWSLETTER JUNE / JULY 2025

With the summer holidays on the horizon, it is always a poignant moment to look back at the academic year and reflect on the experiences the children have had and the learning that has taken place. June and July are the months in school where the teachers reflect on the progress the children have made and the learning that they have completed. It is clear that all of the staff are incredibly proud of all of the children.

The children's hard work, dedication to their learning and most importantly their wonderful attitude to 'serious fun' has shone this year. Ling Moor continues to be a very happy place for learning. Thank you for your continued support in ensuring that this is the case.

For those of you who are at the end of your journey as parents of children who attend Ling Moor, thank you for your support throughout their time with us. As the children progress towards their next phase of education, we hope that they remember they will always be part of our Ling Moor family. We will miss them but know that they go to secondary school well prepared.

# Good Luck!

The future for Ling Moor promises to be a positive one, and we have exciting plans to continue to provide the highest standard of education for our community. The adventure continues...

It would be remiss not to look back at this year with a huge sense of pride and a thank you to our staff as they achieved so much – some would say it has been an outstanding year. The staff at Ling Moor really are specialists in what they do, and their level of expertise grows year on year. Thank you to them all for their continued hard work and dedication.

We wish you all a wonderful summer holiday when it arrives and look forward to welcoming the children back into school on September 3rd and continuing to work with our amazing Ling Moor family.

## Football Success

We are incredibly proud of both our girls and boys football squads. This year they have both competed in the local schools league. Having both come at the top of their leagues, both teams progressed to the final rounds where they both were successful. A double league win for both our male and female teams is unprecedented. We are incredibly grateful to Tim, Nancy and Luke who have all given time to coach and manage the teams this year.

However, pride does not just come in winning, it also comes from the way in which the children have worked as a team and supported each other. They really have embodied all our Ling Moor values in the way that they have had serious fun as a team.

## Summer Picnic

Thank you to all of you for supporting the summer picnic. Even with the extremely warm weather, it was great to see so many families having fun and socializing. A huge thank you must go out to our amazing Friends group for all their organization. Putting on an event such as this is not easy and your hard work is really appreciated.

## Uniform

Thank you for continuing to support the high expectations that we have of uniform. Uniform expectations can be found [here](#). The thrift shop continues to have a wide range of uniform that is in an excellent condition. Please do take a look when you are getting uniform ready for next year. **We will be making the thrift shop accessible on the 1st and 2nd of September during the staff training days.**

## Running

Great to hear that so many of the children are attending the Boutham Park junior park run. Keep it up! If you've not been, it is well worth a try. [LINK](#)  
Running really is our growth sport at the moment which is lovely to see.

## Parking

Parking continues to be a hot topic for both residents and those dropping off children. The new road markings and changes to where park and ride can take place have made things a little more challenging. If anyone has any clever ideas about how we can improve the situation, we would love to hear from you.

As we always ask, we would appreciate all of you who are driving to school to park with our neighbours in mind – being sensitive where you park and not leaving engines idling. Where possible, please do walk to school or take the opportunity to park a little further away and walk a little further to the school.

For those of you who are dropping off at Bubbles, please can you avoid using the staff car park where possible.

## Free School Meals

We would urge all our families to check whether they are eligible for Free School Meals. Due to recent changes to those eligible – particularly those in receipt of universal credit. Not only does the status ensure that children continue to receive a free school meal when they move into Year 3, it also enables the school to claim extra funding to benefit the children's education. Please take a look here [HERE](#).
