Dear Parent/Carer

The Academy is in the process of reviewing the curriculum offer for Relationships, Sex Education (RSE) and health education. The national guidance for this curriculum subject can be found [here](#). As always, our aim is to provide high quality education for pupils, which best prepares them for growing up in an increasingly complex world. For this reason, The Priory Federation of Academies have a Trust wide policy on relationship and sex education and health education which can be found [here](#).

Our curriculum offer is published on the academy's website and can be found at [Ling Moor Primary School - PSHE \(lingmooracademy.co.uk\)](#). Please be aware that this document may be subject to change as we take on-board feedback from all stakeholders.

As parents/carers, we invite you to consult on our curriculum offer. Please see below for how to respond.
