Autumn Term 2026/27

'Empowering potential'

THE PRIORY FEDERATION OF ACADEMIES TRUST

LING MOOR
A PRIORY ACADEMY

At Ling Moor Primary Academy we aim to offer a wealth of different activities both during and after school. Our extra-curricular activities are really important to us as it provides further opportunities to 'empower the potential' our children have, to excel further as Ling Moor Learners and provide more 'serious fun!' Our extensive programme will offer the children the chance to develop skills which go beyond the school curriculum.

What kinds of opportunities will be available to my child?

We have carefully considered the range of provision on offer to cover art, sport, STEM, music and life skills. You may notice slightly more clubs on offer for KS2 than KS1. We have increased the number of clubs available for pupils in KS1 and will continue to look at our offer.

Who will be running these sessions?

A significant number of sessions will be run by external providers who are experts in their fields. We are delighted to have built strong relationships with these providers and that our pupils get the chance to benefit from their knowledge, skill and experience. A number of sessions will be run by the school staff team who will be giving their time to offer children these opportunities after school.

Why is there a charge for some clubs?

Due to the high quality of external providers, some clubs require a charge to ensure they can be offered to pupils and have the capacity to run. It also covers the use of resources which may be needed to run the club. Pupils who are in receipt of pupil premium are entitled to a 50% reduction in the cost of the after school club.

If your child secures a place in a chosen club the payment will then appear on your **ParentPay account** . You will also be given the option to pay in two instalments to help spread the cost over the term.

Why do children need to commit to a full term?

Numerous research studies highlight the academic and social benefits of sustained extra curricular engagement. Just like clubs the children may attend at weekends, the longer children commit to developing a new skill, the more successful they are likely to become.

We have decided that children should therefore 'commit' at least 1 big term (Autumn, Spring or Summer) to developing a new skill before reviewing if they wish to continue.

To give all pupils an equal opportunity to take part in a club each academic year, children that register for a club this term but are not successful in gaining a place, will be contacted before the beginning of the following term to see if they would still like a place before we open up the spaces to all pupils.

How do I book?

The window for registering for clubs starting in **September** will be from today until **Monday, 6th July**. Please register interest in a club by following the link found under each club description in this booklet and completing the form. **Please note: Registering does not guarantee a place.** Places will be allocated on a first come first serve basis. After the deadline, if your child has been allocated a place at a club the payment will then be made available on ParentPay. If you no longer require the space at a particular club please do let us know asap, this is so we are able to offer the place to someone else in good time. **All after school clubs begin the week commencing Monday 14th September and will run until Friday 11th December.**

Playmakers Award KS2 (Y5-6)

Who and when?	Mr Small Monday 3.15-4.15pm
How many?	19
What?	The PlayMakers Award is a great introduction into leadership giving learners knowledge of how to organise small games and activities that can be used during curricular and extracurricular time, lunchtimes, breaks, as well as in sports clubs outside school hours. The PlayMaker Award aims to help learners develop leadership skills such as organisation, communication and teamwork, as well as helping to build confidence and self-esteem as they take on the responsibility of assisting in leading their peers and younger children.

The Arts

Enchanted Musical Theatre KS1 & KS2

Who and when?	Enchanted Theatre Company Tuesday 3.15-4.15pm
How many?	15 (8 minimum)
What?	At Enchanted Theatre Company, we believe in fostering a love for the arts in children. Our creative theatre clubs provide a safe space for kids to explore their talents and build confidence. Through our inclusive after school clubs, we empower young minds to express themselves freely and develop their creativity. Our unique selling point lies in the flexibility and inclusivity of our programs. We cater to each child's individual needs and offer a supportive environment where they can grow as performers and individuals. Join us in creating magical moments on stage! Singing, dancing, acting, everything your child needs to explore the magical world of theatre. This fun packed club offers an insight into each discipline. With fun, team games to help children unleash their creativity. We work towards an end of term showing for grown ups to come and share in the enchanted world of theatre.

Belly Dance KS1 & KS2

Who and when?	Hippy Shake Dancers (see timetable)
How many?	16
What?	We have lots of fun putting together different genres of dance and incorporating it with belly dance. We then go on to showcase what we learn at various events throughout the year including a hafla that I organise. I've seen children start dancing with me, being very shy and self conscious and have them transform into confident, well rounded hard working superstars! I emphasize a lot on body positivity, hopefully helping to enforce that each one of us are exactly who we should be, regardless of what anyone else thinks. All wrapped up in a crazy hour of fun and lots and lots of laughter!

Warhammer

Who and when?	Mr Hickerton
How many?	12
What?	The club will provide an opportunity for your child to collect, build, paint, play and read in the worlds of Warhammer. Warhammer is a tabletop battle game which puts players in command of armies of valiant humans, noble elves, savage orcs or a variety of monstrous creatures. Players collect forces of miniature plastic models, all with different stats and abilities, and use them to play out clashes on a tabletop battlefield. Unlike a board game, where players' moves are restricted to defined areas, Warhammer commanders freely move their units set distances using rulers and resolve shooting and hand-to-hand combat by rolling dice. For more information, please visit Homepage – UK – Games Workshop | Warhammer Alliance (warhammer-alliance.com) which is an educational support programme for the Warhammer hobby. With a wealth of resources from Games Workshop, it offers young people a chance to engage in a fun, creative and sociable hobby.
